

LADY ADDISON

Individual Audio Hypnosis and Voice Recordings

I create voice recordings (audio files) for hypnosis or narrate your texts. Send me the completed hypnosis questionnaire or write to me with exactly what you have in mind.

All recordings are produced using professional hardware and software equipment: MacBook Pro, Shure SM7B microphone, microphone pop filter, acoustic reflection filter, Focusrite Scarlett audio interface, Logic Pro X. The price includes setup, recording, editing, cutting, mixing, bouncing, and delivery in mp3 format via download link. All voice recordings are the intellectual property of Lady Addison and may not be published or passed on, either in whole or in part.
